Our role as a leading provider of health care and economic support for our neighbors is driven by our mission of Making Communities Healthier®. We are privileged to call this vital community home and proud to be part of a national diversified health care delivery network that allows us to continue to enhance how we care for those we serve.

The support of Duke LifePoint Healthcare and community partners like you help us to advance our mission and create places where people choose to come for health care, physicians want to practice and employees want to work. Thank you.

and CEO, UP Health System—Marquette*

In 2021, we...

...added 33 employed and affiliated providers

...made more than \$3.4 million in capital improvements

...distributed a payroll of \$143,611,731 to approximately 1,700 employees

...donated more than \$16.2 million in services to those in need

...paid \$22,621,451 in taxes

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in emergency medicine, cardiology and cardiovascular surgery, OB/GYN, urology, internal medicine, infectious disease, gastroenterology, hematology and oncology, and more.

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's health care needs. This year's investments included four new ambulances, new hip arthroscopy tables and instruments, a voyager transporter for the NICU and more.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

UPHS-Marquette is grateful to call this community home and be part of events like the 4th of July Parade.

UPHS-Marquette is proud to support local organizations like YMCA of Marquette County.
